1. GETTING STARTED

Unboxing and Initial Preparation

Thank you for selecting our next-generation smart system.

Please inspect the packaging contents before first operation:

- **Smart Console Main Unit x 1**
- **High-Speed USB-C Power Adapter (65W) x 1**
- **Magnetic Docking Station x 1**
- **Quick Reference Pamphlet & Warranty Card x 1**

Ensure the battery is charged to at least 50% prior to first boot.

2. SAFETY INSTRUCTIONS

Important Precautions for Safe Operation

WARNING: Failure to follow safety instructions may lead to damage.

- Keep the device away from moisture and liquids.
- Do not expose to extreme temperatures (-10C to 45C operating range).
- Use only certified power cables and adapters included.
- Do not attempt to disassemble or repair the device yourself.
- Keep out of reach of children under 3 years old.

Compliance: CE / FCC / KC Certified (2026).

3. HARDWARE CONTROLS

Buttons, Indicators & Connector Ports

[Top Panel]

- **Power / Sleep Button with biometric fingerprint reader**
- **Dual Noise-Canceling Microphone Array**

[Front Panel]

- **10.5-inch Retina Touch Display with 120Hz refresh rate**
- **Multi-color LED Status Ring Indicator**

[Bottom & Rear Ports]

- **Dual Thunderbolt 4 / USB-C Ports**
- **3.5mm Hi-Fi Audio Output Jack**

4. SYSTEM SETUP

Network Connection & Pairing Instructions

Step 1: Power On

Press and hold the Power button for 2 seconds until the LED pulses blue.

Step 2: Connect to Wi-Fi

Select your 5GHz or 6GHz Wi-Fi network and input security credentials.

Step 3: Account Sync

Scan the on-screen QR code with your mobile companion application.

Step 4: Firmware Update

Allow automatic installation of the latest v4.2.0 stability package.

5. ADVANCED FEATURES

Gesture Controls & Voice Command Suite

Interactive Flipbook & Reader Mode:

Swipe left or right across the lower corners to turn pages.

Double tap anywhere to activate 150% high-precision zoom.

Voice Assistant Integration:

Wake word: "Hey System, Open Manual"

Voice commands support page jumps: "Go to page 5", "Zoom in".

Cloud Backup:

Your reading position, bookmarks, and annotations sync instantly.

6. TROUBLESHOOTING

Common Questions & Diagnostic Solutions

Q: Device will not turn on?

A: Connect to the 65W charger for 15 minutes and check the LED indicator.

Q: Pages are not turning smoothly?

A: Check the zoom level or switch to Single-Page mode in the toolbar.

Q: Wi-Fi disconnected?

A: Navigate to Settings > Network > Forget Network and reconnect.

For hard resets, hold Power + Volume Down for 10 seconds.

7. TECHNICAL SPECIFICATIONS

Detailed Engineering Metrics

- Processor: Octa-Core Neural Processing Engine
- Memory: 16GB LPDDR5X Unified RAM
- Storage: 512GB NVMe Solid-State Storage
- Display: 2560 x 1600 Pixel HDR OLED (600 nits)
- Battery: 7800 mAh Li-Polymer (Up to 18 Hours read time)
- Dimensions: 242mm x 170mm x 6.8mm
- Weight: 440 grams
- Wireless: Wi-Fi 7 (802.11be), Bluetooth 5.4, NFC
